

Barefoot Bungalows

All tile, glass, and local hardwoods, the Charly is magical cottage in a tropical paradise – complete with howler monkeys in the trees and iguanas in the grass. Queen size beds in both air conditioned rooms, kitchen area with fridge and gas cook top, this is the perfect place to chill. Whether on the terrace by to pool or the magnificent beach just two hundred yards away. And as an added benefit, several of Guanacaste’s finest restaurants and up-scale bars are right nearby – there is even water taxi service to Tamarindo from Central America’s largest mangrove estuary one hundred yards away. The prefect place to stay!
